DEPARTMENT OF SOCIOLOGY

CIE Report: 2021-2022

The Department of Sociology follows the Examination pattern of the university. The schedules of internal assessments and University examination are communicated to students and faculty at the beginning of the academic year through academic calendar which is prepared by IQAC in accordance with the academic calendar provided by Swami Ramanand Teerth Marathwada University, Nanded.

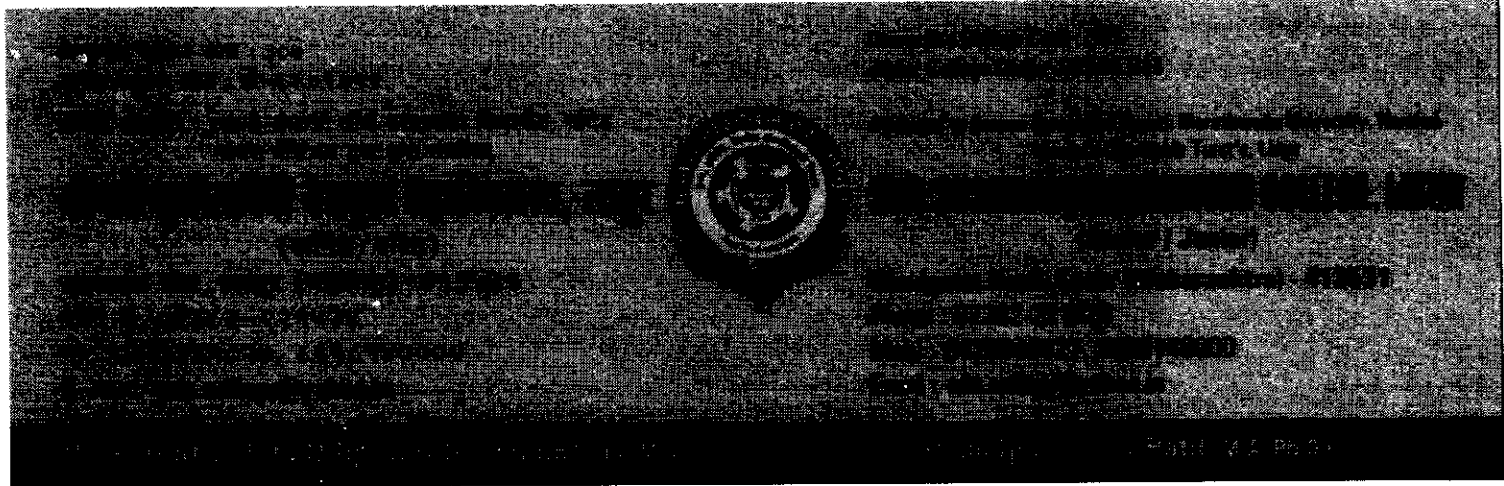

As per the guidelines, the following reforms have been carried out effectively conducting CIE:

- Unit tests are conducted in both the semesters.
- Question bank is provided to the students on the taught topics.
- Internal examinations are conducted in the same pattern of external examination.
- Question papers are prepared as per the pattern of the university.
- Question papers are scrutinized by the HOD to ensure quality of the Question paper.
- Faculty evaluate answer books and prepare mark lists in the stipulated period of time.
- The result is communicated to the students.
- Re-internal examination is conducted for the absent students.
- Marks of the internal examination are uploaded on the university portal for final mark sheet preparation.

The evaluation pattern for courses is 50 marks for external examination and 25 marks for internal examination respectively.

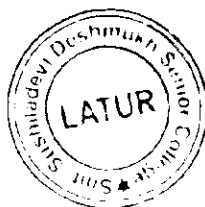

At the beginning of every academic year slow learner and advanced learners are identified through marks obtained in the qualifying examination, tests and oral performance of

the students. Thus, the list of slow learner and advanced learners is prepared and extra classes are conducted for the slow learners. We have mentor -mentee scheme through which a group of mentees is allotted to a mentor. Various evaluation and assessment methods such as seminar presentation, home assignment, group discussion, etc. are used for continuous evaluation. The students' seminars are assessed by parameters like comprehension of the topic, presentation skills, communication and technical knowledge. The evaluation for home assignment is assessed by content of the topic and writing skill.
