Dr. Surekha Bankar, Assistant Professor, Department of Marathi, conducted anchoring of the Programme and **Dr. M. B. Karajgi** proposed vote of thanks. Thus the inaugural session ended.

Inaugural session was followed by into one technical session. Each. The technical sessions was arranged in IQAC. All the presenters made presentation with the help of PPTs.

Dr. M. M. Betkar was the resource person for Technical Session entitled '**Patent Filing**'. He delivered his talk on the Patent Filing. The procedure of obtaining patent can be completed in a series of simple steps. You will first have to select the appropriate application to file. Then, visit the IP India portal and begin the application process. Remember, documents are the most crucial aspect of your application and will decide its success. Patents grant the exclusive right to make, use, and sell an invention, and an inventor can gain this monopoly-like right only by filing a patent application.

The workshop concluded with the valedictory Function as per the Programme Schedule. **Dr. Surekha Bankar** conducted the programme and **Dr. Karajgi B. B.** proposed vote of thanks. At the end of the programme all the faculties were given Participation Certificates.

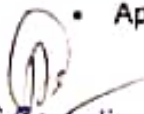

Patent Filing :

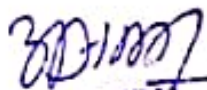

Objectives:

- to encourage scientific research, new technology and industrial progress.
- to provide a right to an inventor(s) to exclude others from exploiting the patented invention.
- to create a dynamic, vibrant, and balanced intellectual property rights system in India
- Foster creativity and innovation and promote entrepreneurship.
- Enhance socio-economic and cultural development

Topics Covered:

- Intellectual Property Law Center
- Patent Law
- Applying for a Patent to Protect Your Legal Rights
