Institutional Policy Document on The Green Campus/ Plastic Free Campus

Since the inception of the college our policy regarding the green campus and plastic free campus is based upon the **Zero Tolerance** and **three 'Rs'** our institution can not tolerate and promote the anti-environmental practices on and off campus. Therefore, our institution used to insist upon the zero tolerance towards the maintenance of the green campus and plastic free campus. With the help of college stakeholders, we try to sensitize the ecofriendly practices. During the course of teaching, learning and extension activities our institution would promote the green campus initiative and plastic free campus initiative. Our institution used to carry out the external audits such as Green, Energy and Environment with the registered and certified agency as well as our institution used to comply with the recommendation and guidelines regarding the Green Campus/ Plastic Free Campus.

In order to promote the Green and Plastic free practices, our institution has initiated the practice of **three 'Rs'** on and off campus **three 'Rs'** means to promote the practice of Repairing, Reusing and Recycling. As a result, institutional resources will not be restrained naturally in case of economy would be maintained. In this way our institution abides the regional, national and international rules and regulations as well as guidelines in case of The Green Campus/ Plastic Free Campus. Environmentally signified events and days have been observed and celebrated on and off the campus.

Policy for Smt. Sushiladevi Senior College, Latur

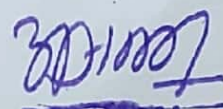

Smt. Sushiladevi Senior College in Latur is committed to sustainability and inclusivity through various initiatives across its campus. The college has implemented several measures to reduce its environmental impact and promote eco-friendly practices:

- Alternate Sources of Energy and Energy Conservation Measures:** The college has installed a 12 kVA solar system to utilize renewable energy, thereby contributing to a pollution-free campus. In addition, the college observes a 'No Vehicle Day' once a week to promote energy conservation and reduce carbon emissions.
- Management of Degradable and Non-degradable Waste:** A vermicompost plant operates on campus to manage organic waste effectively. Students are actively involved and educated about the importance of waste segregation and composting.
- Water Conservation:** Smt. Sushiladevi Senior College has implemented a sewage water treatment plant to recycle water efficiently. Additionally, rainwater harvesting systems are in place across the campus to conserve water resources effectively.
- Green Campus Initiatives:** The college maintains a lush green campus through dedicated efforts in landscaping and biodiversity preservation. These initiatives aim to enhance the overall environmental quality of the campus environment.
- Disabled-friendly, Barrier-free Environment:** The college ensures a barrier-free environment by providing all necessary facilities as per accessibility requirements. This includes ramps, accessible restrooms, and appropriate signage for the visually impaired, promoting inclusivity among all members of the college community.

Through these comprehensive measures, Smt. Sushiladevi Senior College strives to set a benchmark in sustainability practices and create a conducive environment for learning and growth that aligns with global environmental goals. The college continues to innovate and improve its policies to uphold its commitment to environmental stewardship and inclusivity.
