WELCOME

NAAC Peer Team

A vintage-style map of the world is the background. It features labels for 'ARTIC OCEAN', 'EUROPE', 'ATLANTIC OCEAN', 'SOUTH AMERICA', 'INDIAN OCEAN', 'OCEANIA', and 'AUSTRALIA'. Various geographical symbols like trees, mountains, and wavy lines for water are scattered across the map. In the top left, a pair of brass and black binoculars is positioned diagonally. In the top right, a round compass with a black face and silver casing is shown. In the bottom right, a magnifying glass with a red handle is placed over the 'INDIAN OCEAN' label. In the bottom left, a brown pinecone is visible. A white rectangular box with a red border is centered over the map, containing the text 'DEPARTMENT OF GEOGRAPHY' in a large, red, serif font.

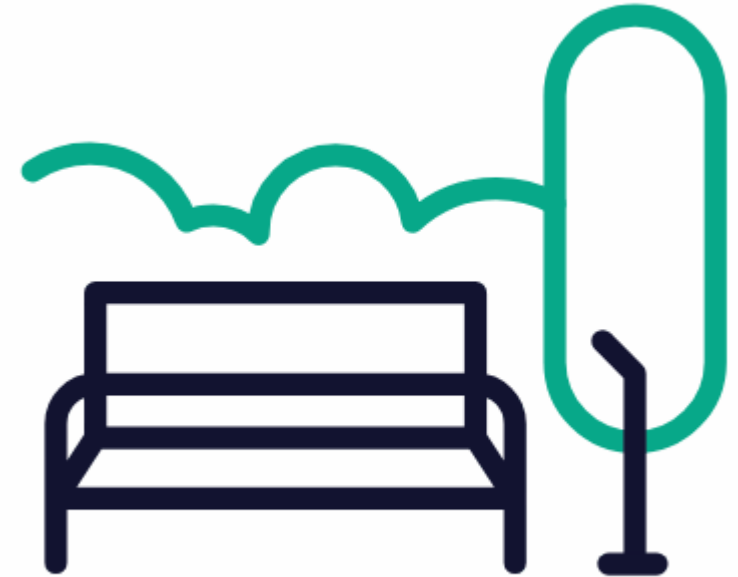

DEPARTMENT OF GEOGRAPHY

Department Of Geography

PROFILE

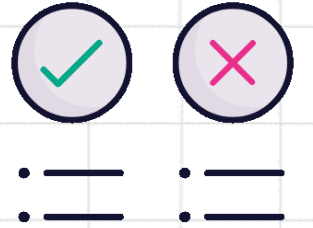

Introduction

The Department of Geography offers **three-years integrated B. A. Program** since the establishment of this college in **1991**. In this college, many students have been learning Geography as their optional subject & SEC. The department has Two **Permanent** faculty members.

The department Organized Environmental Awareness programs. This department has got much reputation for quality education. We give a quality of knowledge, so students emerge as **Bright Personalities**.

Highlights of Department

1 Experienced and Qualified Staff

2 Well special laboratories with state-of-the-art facilities.

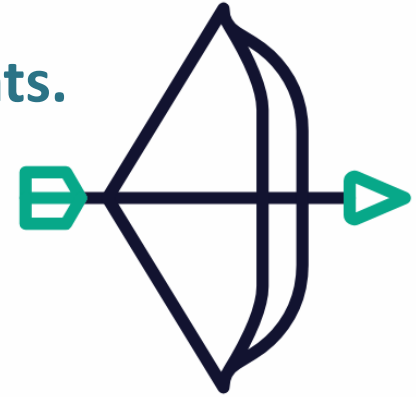

3 Activity based learning to make students ready for society.

4 Connecting Geography to the nature

Objectives

- ✓ To create environmental **awareness** among the students.
- ✓ To promote the use of **ICT** in geography.
- ✓ To develop **skill-sets** in the subject.
- ✓ To study **specio** temporal impact on Humans and other factors.
- ✓ To motivate the students for field studies, Exhibitions, visits, Educational tours, Surveys, competitions & **project work**.

Strength

- ✓ Good academic record
- ✓ Frequent field visits & lab practices.
- ✓ Alumni in a variety of fields

Weakness

- Rural draught Prone areal students

Opportunities

- ✓ Can target competitive exams
- ✓ Aim at higher education
- ✓ Can work in tourism industry

Challenges

- Race with other institutions
- To update & adopt recent trends

Future Plan

- ✓ To Start a **Postgraduate** course in Geography.
- ✓ To Organize the International & National **Conference & workshop**.
- ✓ To Develop the Geography Laboratory with **ICT and GIS** software.
- ✓ To Complete Minor & Major **Research Project**.
- ✓ To make a **Geographical hub**
