## Research Committee

### Research Policy

Research Policy refers to the principles, regulations and guidelines that govern the conduct of research within an institution. The policy ensures the integrity, quality, and ethical standards of research activities. Teaching, research and extension are fundamental process of any academic institution. Research is a pioneer aspect of academia which helps the institution to enhance the quality of learning and knowledge development. The research helps to create new avenues in knowledge and motivate for better teaching learning process in Smt. Sushiladevi Deshmukh Senior College, Latur. Research is the foundation of knowledge which promotes research publications and develops collaborations. Keeping these aspects in mind Smt. Sushiladevi Deshmukh Senior College, Latur has prepared Research Policy as such.

#### Purpose:

The Research Policy aims at crating research atmosphere on the college campus among the faculties. The research activities of the college would be carried out with in the framework mentioned in the policy. It also intends to identify thrust areas of research in terms of vision and mission of the institution.

#### Scope:

The Research Policy provides ethical platform for the reach activities which is followed by all the departments. It also provides guidelines for functioning of the *Research Committee* of the college.

#### Custodian of the Policy:

The Research Committee of the college implements research policy under the supervision of the Principal of Smt. Sushiladevi Deshmukh Senior College, Latur. It gives time to time suggestions regarding research activities.
