POLICY DOCUMENT ON ENVIRONMENTAL CONSCIOUSNESS AND ENERGY USAGE

Smt, Sushiladevi Deshmukh Senior College, Latur focuses on energy usage in such a manner that it reduces harmful effects on the environment. The policy applies to the whole institution - its members and activities. Concern about environment and efficiency are part of daily routine in the college. We are responsible and dedicated to the cause of resource conservation.

The Geography department of the college in association with the NSS are dedicated to the promotion of awareness on the protection of the environment, to minimize energy usage, increase green literacy,

The important policy objectives are:

- To explore alternatives to the use of natural resources,
- To focus on renewable resources of energy,
- To use LED lighting systems to reduce energy usage,
- To take additional measures to continuously improve our energy consumption,
- To minimize air pollution in and around the college by using public transport or pollution-free means of transport such as bicycles, हा
- To have pedestrian-friendly pathways,
- To develop an efficient waste management system,
- To develop rain water harvesting unit,
- To keep an accurate record of carbon dioxide emissions from our institution,
- To harness solar energy,
- To undertake tree plantation drive in the campus and beyond the campus
- To train our students and staff to become efficient in matters of energy usage and environment protection,
- To create awareness in the local community about efficient energy usage, environment protection and sustainable development,

This policy will be communicated to the students and employees via internal communication channels, and will be made available to all the stakeholders. The Environment and Energy Policy, objectives and targets will be reviewed on a regular basis by the Principal of the college.
