Institutional e-Governance Policy Document

Since our institution has been trying to update and upgrade the institutional IT infrastructure in order to meet the administrative, academic and managerial works. In order to convenient the time and energy our institution used to procure the IT amenities on campus. CCMS is a cloud based application(software) has been used in case of administration, finance and accounts, admission and student support services and examination. During the course of e-Governance our institution has been successful in maintaining the transparency and punctuality in all respect.
